

COM 1 EXTRA HEAVY DUTY MAILBOX

DATASHEET

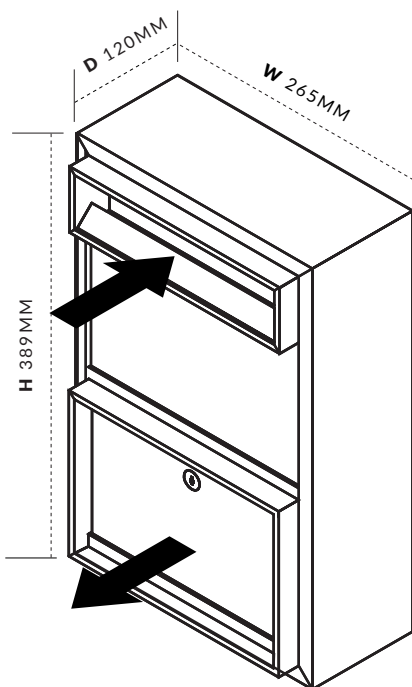

One Cartwright Gardens

The COM 1 extra heavy duty mailbox is a variation of the classic COM 1 mailbox incorporating strengthened materials, along with a range of additional security features.

The extra heavy duty version of the COM 1 mailbox is fitted with a gap restricting aperture as standard, an anti-leverage surrounding trim, retrieval door that uses a welded claw that negates the ability to gain a leverage point and compromise the security of the mailbox, and a 3-point locking mechanism that enhance the locking security of the product.
