

DOMESTIC LATERAL MAILBOX

DATASHEET

Swansea Development

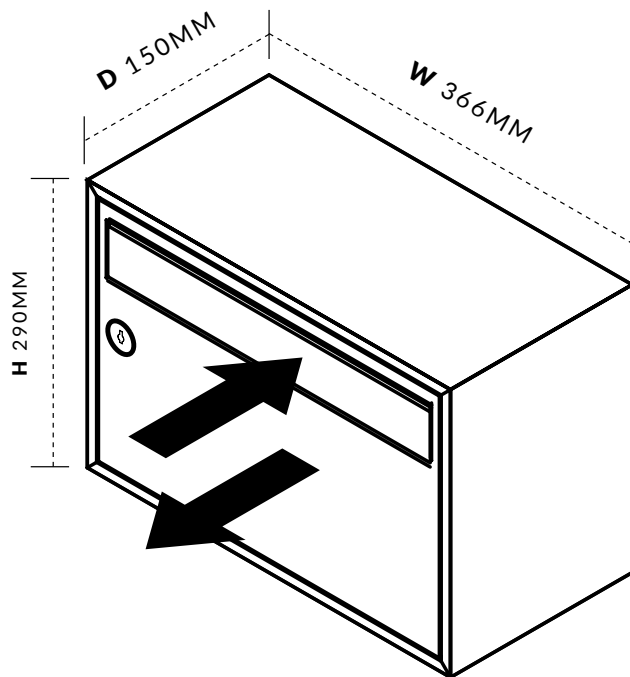

The Domestic Lateral mailbox is a versatile front-access unit, ideal for both internal and external installations. Based on the classic COM 1 model, it combines durable, proven materials with a sleek and minimalist front panel design.

This mailbox can be installed as a single unit or configured into banks for multiple users, making it a great option for both commercial and residential applications.

It's available in a variety of finishes from our standard RAL colour range, offering flexibility to suit different environments and preferences.
