

# GUARDIAN FRONT RETRIEVAL (FR) MAILBOX DATASHEET

Design to Installation

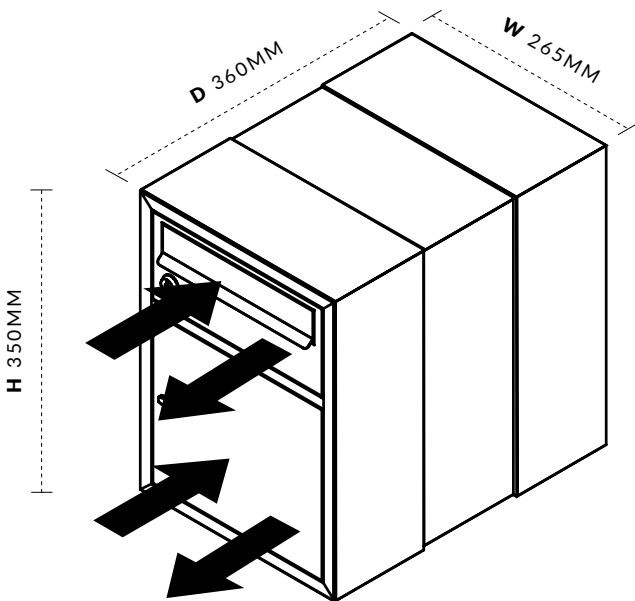

The Guardian FR box is an in-front, out-front solution designed to securely store mail in the top compartment while serving as a storage box in the bottom compartment.

The top section features a mail slot and is equipped with an SLB security lock, ensuring mail is safely stored until accessed with a coded key.

The lower compartment is perfect for holding items like milk, bread, and newspapers, allowing for convenient retrieval at a later time.
